

Online Awareness Level Training

WMD Awareness (AWR 160)

The Weapons of Mass Destruction (WMD) Awareness Level Course is targeted to individuals likely to witness, discover, or respond to a WMD incident and who have been trained to initiate an emergency response sequence by notifying the proper authorities of what they see.

www.hsi.wa.gov

Learners will be able to identify:

- Components of terrorism
- Understand characteristics most likely to be present at an incident of terrorism
- Identify warning signs that indicate a possible incident of terrorism
- Understand incident priorities common to both incidents of terrorism and non-terrorism
- Relate differences and similarities in responder actions to incidents of terrorism and non-terrorism.
